## Board of Education

The Board of Education is a group of distinguished men which presides over the many problems presented by the city schools. These men are elected by the people to determine the policies and administer the affairs of our school. The Board has done wonders for our high school and has given our school twenty new class rooms that were urgently needed. We wish to thank these men for their consideration and contributions to our school.

## Sophomore Officers

The Sophomore Class arrived at Granite City Senior High School in the month of September, 1960. The sophomores looked forward to the thrill of attending the football, basketball, and wrestling meets. Many of these enthusiastic sophomores joined the various organizations in our school such as the Red Peppers, Science Club, and F.H.A.

We hope the Sophomore Class advances in scholarship as well as in extracurricular activities.

## Junior Officers

The Top Juniors are now in their second year at Granite High. They have the dignity of being upperclassmen. The Juniors have contributed a great deal to the school activities. One of their great contributions was the Junior Prom which was entitled "Some Enchanting Evening." Keep up the good work "upperclassmen."

## Football

The 1960 Granate City football team rebuilt itself this year under Head Coach. Andy Sullivan. His reliable assistants were line coaches, Donald "Duke" Brumleve, Gordon Galbreath, and backfield coach, Ross Rosenthal. The team had a record of 1 win and 8 losses. It was co-captained by Jerry Wallace and Bill Ridings. Mr. Sullivan mainly used juniors and sophomores this year. The new players learned many things under Mr. Sullivan that should help out in next year's team. Some of the valuable players this year were John Groboski, Bob Hoffce, Bill Simpson, John Plese, Al Lewis, Bob King, John Allen, Dave Sparks, Terry Titsworth, Mel Barron, Vic Buehler, Don Pindell, Bob Berry, and Jerry Siers.

## Leadership

The goal of the Advanced Leadership Club is to give the girls an opportunity to learn something about working with groups of people and to offer leadership services to the school and community.

Under the direction of Miss Mitchell, the Junior Leadership Club is trained for advanced leadership. They are expected to plan, to accept responsibilities, and especially to lead others. The club has to have one social event and one money-making project a semester.

The groups attend different sports activities and give a party for the beginning leadership group.

## Junior Leadership

The purpose of the organization is to provide training and practice in group leadership as well as to promote better school citizenship. The leadership group is divided into two sections, beginning and advanced. They meet during their lunch study period.

Each group is organized as a club and during the semester it must sponsor one school service project, one money making project, and at least one social function at which the other group is a guest.

Mr. Albert Lewis fixing Frank Knight's leg.

## Trainer

Many people don't know how important a trainer is or what he does. Mr. Lewis is one of the most well known and liked persons in sports activities. Some of the small but important jobs of the trainer are taping ankles, massaging, fixing blisters and keeping the athletes in perfect condition. Mr. Lewis will be remembered for the contraption he introduced last year for Rich Williams. Without his mind, Granite would have lost Williams for a couple of weeks. Thanks to Mr. Lewis from everyone at Granite High. He is the man behind the scenes who helps to make Warrior victories possible.

*First Row:* Sam Fazio, Dan Brawley, Quintin Hoover, Tilford Felchin, Roger Bloodworth, Ernie Taylor, Larry Reynolds, Tom Tindall. *Second Row:* Mike Fry, John Bailey, Jim Harsh, Co-Captain; Bill Ridings, Bob Kary, Bob Cruse, Charlie Haug, Eldon Poole. *Third Row:* John Zerjal, Bob Haldeaman, Bob Dawes, James Joyce,

## Wrestling

The great G. C. Warriors' Wrestling team again had a successful season. The coaches, William Schmitt and Bob Whelan, are known throughout the state for their teams. The 1960 team had one of the toughest schedules in Southern Illinois and the St. Louis area and again dominated the Normal Invitational Tournament at Normal, Illinois. This year Granite City was host for the Freshman-Sophomore Tournament and won it for the third consecutive year. We hope that every year Granite may have a team equal to this year's.

THE VICTORS—*Left to Right:* George Moore, Larry Wartham, Glen Hoffman, Max Prusak, Frank Knight, Grant Takmajian, Larry Diak, Harry Thureau, Robert Hoffick, and Jim Simpson. Center: Coach Andy Sullivan.

## Varsity Basketball

The "Happy Warriors," under the able leadership of Coach Andy Sullivan, completed a successful season. They competed in two tournaments during the season and captured the championship at the Dupo tournament. In conference play, the Warriors came in third, behind the strong Collinsville and Belleville teams.

The team was a blend of experience and youth including a number of seniors combined with some talented sophomores. Next year's team should be a strong contender for the conference championship as a result of this combination.

## Basketball

Granite City is very fortunate to have Mr. Andy Sullivan for Head football and basketball coach. Mr. Sullivan went to Eastern Illinois State where he was captain of both basketball and football in his junior and senior year and voted most valuable player in the conference in basketball, when he was a junior. This year he will have won his 200th game as opposed to 160 losses. His football record is 46 wins, 25 losses and 5 ties.

Tri-captains and coaches are Coach Richard Harmon, Max Prusak, Jim Simpson, Frank Knight, and Coach Andy Sullivan.

## Yearbook

Since 1954 many students have participated in an organization called "Yearbook." They have worked exceedingly hard, not only in class, but outside of school, meeting at different members' houses or places where they could work together to produce just such a book. All members contribute their time equal share of work by making layouts, identifying pictures, and by doing write-ups, which are prepared for each page. This requires much hard work and only by working together with full cooperation and diligence, can they put out a book correctly written.

"The Warrior," Granite High's yearbook of 1961, has been patiently worked on by the adviser, Mr. Robert Johnson; editor, George Monken; assistant editor, Mary Adams; business manager, Bob Summers; and all the other members of the staff.

## Student Council

The Student Council is an organization that should be of interest to everyone. Its membership is composed of representatives from each counseling group. The purpose of the organization as stated in its constitution is to promote good citizenship in the high school, to render service, to act as a representative body, and to bring about co-operation among students and faculty. The organization takes part in the following activities: selling schedule pencils, sponsoring basketball dances, soliciting contributions to Care, Christmas baskets for needy families, and attending conventions at district and state levels.

## Band

The band, one of Granite High's most active organizations, accompanies all football games, basketball games, and plays.

Every spring the band members take a trip to an interesting part of the country. They earn money for this by having a Tag Day and running concession stands at football games.

Their music is highly appreciated at the games and plays. It is always a high spot of the evening and we are thankful to Mr. Meek for his hard work and effort.

## Baseball

The Granite City Baseball Team of 1960 was coached by Mr. Joe Fedora. It was his first season as varsity coach and he produced a very successful team, captained by John Rains and Rich Williams. This year the co-captains are Joe Holder and Larry Diak. The leading hitter was Victor Buehler, who was followed by Bob Price, Harry Smith, and Rich Williams. Dave Dumoulin and John Rains each won six games for the Warriors. The team won first place in District, then lost the regional championship to East St. Louis. The team ended the season with 17 wins and 4 losses. The Junior Varsity finished their season with 5 wins and 4 losses.

Best netman in Area, David Moss, talking to Coach Harmon.

The Granite City High tennis team of 1960 coached by Dick Harmon, had a very successful year, concluding the season with a record of nine wins and one loss. The team had difficult opponents in District but captured first place. It then put up a stiff battle in State contest finishing in 7th position. They tied with Edwardsville for Conference Championship after winning and losing a match to them.

Dave Moss, the captain, was undefeated 3 years in Southwest Conference play. He has been District Champion in single play for the past 3 years and has participated every year in the state tournament at Champaign, climaxing his high school career by winning 2nd place at the State Final.

Virgil Kirksey and Max Prusak came in 2nd in District and participated in the state tournament.

## May Day

Spring 1960 — On May 20, 21, Miss Dianna Ferro was crowned as the new May Queen opening a new season of beauty and charm for Granite City Senior High School. Her attendants were Margaret Holland and Freelyn Arbitor. Pages for the crowning ceremony were Gay Mueller and Sherry Reinhardt. Joey Lanahan was crown bearer and Miss Barbara Little carried the flowers.

To celebrate the Spring festivities, members of each physical education class presented skits centered around the theme of Flowers.

Members of the graduating class were also presented prior to the finale of the 1960 May Day festivities.

## Operetta

Not only the performers but also the audience smiled when they saw the light hearted operetta, *Red Mill*, presented by last year's Vocal Department under the direction of Mr. Warren Simpkins and Mrs. Susan Kickem, Drama Directors.

This operetta by Victor Herbert involved two stranded American tourists who had no money to pay their bill at the inn. Meanwhile, they helped the Burgomaster's daughter to run away with the man she really loved, not the one her father had engaged her to. But as in all happy endings, she married the man of her own choice.

# Dedication

The Yearbook Staff of 1961 dedicates  
this yearbook to

MR. ROBERT L. JOHNSON

Although he has been here only a few years he has worked hard as a teacher and advisor for the yearbook. He has striven through the year with us, the yearbook staff, to make this edition as perfect as possible. At this time we would like to express our appreciation to him for his patience and consideration.

Respectfully,  
The Yearbook Staff

*George Monken, Editor; Mary Adams, Assistant Editor.*

We, as Editors, close the eighth edition of the Warrior Yearbook with a feeling of gratification and complacency. We hope through our yearbook that we have been successful in capturing, forever, many of your most cherished moments in your years at Granite High.

As we travel through life, the many activities in which we have participated, such as sports, plays, and our social highlights, have given us experiences which we will refer to with a feeling of significant importance.

As we close the last page of the 1961 Warrior, we would like to express appreciation to the many people who have helped us in putting this yearbook together.

Mr. James Gitchoff, Hollywood-Andrews, Photography; Mr. Nick Mangoff, Hollywood-Andrews, Photography; Mr. Charles G. Kreitner, Inter-Collegiate Press, Publication.

Mr. Robert L. Johnson, Advisor; Bob Summers, Business Manager, Administration and Faculty of Granite City Senior High School.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population.

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (2000) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. The Department of Health (2000) has also published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1999. The public sector has grown from 10% of the economy to 17% of the economy.

There is a growing emphasis on the need to improve the efficiency of the public sector. This has led to a number of initiatives, including the introduction of competition, the restructuring of public services, and the introduction of performance targets. The aim of these initiatives is to reduce the cost of public services and to improve the quality of the services provided.

One of the main challenges facing the public sector is the need to reduce the cost of services. This is a difficult task, as the public sector is often a monopoly. However, there are a number of ways in which the cost of public services can be reduced. These include the introduction of competition, the restructuring of public services, and the introduction of performance targets.

The introduction of competition is one of the most common ways in which the cost of public services can be reduced. This involves breaking up public monopolies and allowing private companies to compete for the business. This can lead to a reduction in the cost of services, as private companies are often more efficient than public companies.

The restructuring of public services is another way in which the cost of public services can be reduced. This involves reorganizing public services so that they are more efficient. This can be done by merging public services, by transferring public services to private companies, or by introducing new ways of providing public services.

The introduction of performance targets is a third way in which the cost of public services can be reduced. This involves setting targets for the performance of public services and rewarding public companies for meeting these targets. This can lead to a reduction in the cost of services, as public companies are motivated to improve their efficiency in order to receive the rewards.

There are a number of other ways in which the cost of public services can be reduced. These include the introduction of new technologies, the introduction of new ways of providing public services, and the introduction of new ways of financing public services. All of these initiatives have the potential to reduce the cost of public services and to improve the quality of the services provided.

The public sector is a complex and challenging environment. However, there are a number of ways in which the cost of public services can be reduced and the quality of the services provided can be improved. By introducing competition, restructuring public services, and introducing performance targets, the public sector can become more efficient and more cost-effective.
